

# LATE START TUITION POLICY

## Students Who Start Late:

Students can start at South Boston Catholic Academy at the age of 2.9. For those students starting pre-school after the first day of school in September due to their age, the school has designated set starting dates for the ease of transition to both the student and the teacher. The following are our starting dates.

- Age 2.9 as of October 1<sup>st</sup>: October 4, 2021
- Age 2.9 as of November 1<sup>st</sup>: November 1, 2021
- Age 2.9 as of December 1<sup>st</sup>: November 29, 2021
- Age of 2.9 as of January 1<sup>st</sup>: January 4, 2022
- If your child turns 2.9 after January, we ask that students do not start after January, but rather wait until the next school year.

Even though a student may be starting late, the number of teachers and school supplies are based on the total number of students who will be attending regardless of start date. Therefore, the tuition must be charged accordingly. All families, regardless of start date will be responsible for 15% of tuition, prior to the start date, in order to offset expense if a student should withdraw. After the 15% tuition due, the following are the percentages of amounts due based on a student's start date:

- Starting in September or October: 100% of tuition is due
- Starting in November or December: 90% of tuition is due
- Starting In January, February, March, April or May: 80% of tuition is due
