2022-2023 Academic Year Important Tuition Information **South Boston Catholic Academy**

The South Boston Catholic Academy School Advisory Board recently approved the Tuition rates for the 2022-23 Academic Year.

In preparing next year's school budget our goal was to keep increases in tuition as affordable as possible. Expenses for next year's budget is over \$4.5 Million. Over 80% of that budget is for salaries and benefits for our well-deserved professional teaching staff and administration. Our School Advisory Board took seriously the recent parent surveys requesting that our faculty salaries be competitive with other private schools. The remaining budget items are for maintenance to the school buildings, school supplies, insurances, and utilities.

We are very fortunate that South Boston Catholic Academy receives over \$75,000 in **Financial Aid** from the Catholic School Foundation of the Archdiocese of Boston. This aid is distributed to many of our families in need. Scholarships ranging from \$500 - \$1500 per student are awarded each year to families with financial need. You must be enrolled and apply in FACTS to be eligible for financial aid.

South Boston Catholic Academy is proud of its robust academic program that includes Music, Art, World Languages, STEM, Specialized support in Math and Science, Reading Recovery, a Literacy Program, and Support Services for our students.

We are proud of our 6th grade students who are on track again this year to be accepted into some of the top High Schools and Middle Schools in the State. We are proud of our re-accreditation with the New England Association of Schools and Colleges (NEASC). We are proud of our faculty and staff -- over 80% of our faculty have an advanced degree in Education.

We are very excited for another academic year at South Boston Catholic Academy!!
